GOVERNMENT CURRENCY.—Is it an advantage or disadvantage to the Government, to have gold a circulating medium on the Pacific Coast?

We are of the deliberate opinion that it is for the best interest of the Government and Nation to have gold and silver the predominant currency upon this coast, far removed from the scene of war and strife. There being no necessity of substituting paper for metallic currency, particularly as specie has always been our currency, since the discovery of our gold fields, and always will be the great medium of foreign exchange. We believe it gives to other governments greater confidence in the United States, to know that a portion of the States of the Union can maintain a specie paying system. The very knowledge that there is constantly in the hands of the people of the Pacific States, a large amount of specie, subject at any time to be thrown upon the market in Wall street, within thirty days notice, keeps the price down. We do not doubt for one moment, if all the gold in California and Oregon could be controlled by the Wall street speculators it would at once advance one hundred per cent. As long, however, as the gold is kept here in the hands of the people, and we send them regular remittances to assist them in their foreign exchange, they will be less extravagant, unless foreign governments will take United States securities; in that event it is for their interest to sustain us.

When the war is over the more bullion there is in the country the better prepared we shall be to assist them to resume specie payment. As long as there is a difference in New York and Washington between the price of legal tender notes just so long will there be a difference in California and Oregon. Whether gold be the currency or paper we fail to see any advantage in substituting the latter while we have plenty of gold in the country.

THE SPEAKING LAST NIGHT.—A very large crowd assembled at the Theatre building last night to listen to the debate on the political questions of the day between J. F. Gazley, of Douglas county, one of the Presidential Electors on the Union ticket, and Judge A. E. Wait, one of the unterrified; an Elector also but on the ticket of the so called Democracy. The latter gentleman lead off in the debate and continued his attempts at argument for the space of about two hours—but if anybody can tell what he said in the least convincing of the faith of his creed it is more than we are able to do. His long, harsh and tedious speech contained but little else than epithets applied to the Union party, and cannot be termed an argument in favor of Democracy. He was followed by Mr. Gazley in a neat and pithy speech, which greatly revived the wearied audience who seemed to show by their actions that they had only remained through the dragging hours of Wait to listen to his remarks. The applause, and the feelings of the crowd, proved the *little weight*, and absence of any other than sound Union principles in the hearts of the audience. Mr. Gazley won for himself honor, and for his party praise during the discussion, by his gentlemanly bearing, courteous manners and pointed arguments brought out to show up the corruptions and the dogmas of the political opponents of the Union, the administration, and the enforcement of the laws. If Oregon *should* cast her vote for the grave-digger of Chickahominy—which God forbid—it will be done to the direct fate of reason, sound sense and able arguments, put forth by men like Mr. Gazley, showing the evil results of such an event. But we are not foolish enough to suppose any such calamity will befall our truly noble and patriotic commonwealth. We regret not having greater space this morning to allude to the speaking and the points set up by the respective disputants, but can only say the want of a point was the lack of one by the first speaker.

PUBLIC SPEAKING.—Hon. Geo. H. Williams has accepted the invitation of numerous citizens of this city to address them, and will speak this evening from the balcony of Arrigoni's Hotel; if the weather is suitable. Should the weather be inclement he will speak at the Theatre. The following correspondence has been handed us for publication:

PORTLAND, Sept. 20th 1864.

Hon. Geo. H. Williams: Dear Sir—The undersigned believe that they represent the unanimous wish of the citizens of Portland, in inviting you to address them at your earliest convenience.

Respectfully yours,
Henry Failing, Samuel M. Smith, H. W. Corbett, P. C. Schuyler, W. S. Ladd, Alex. P. Ankeny, and 12 others.

SALEM, Sept. 22d, 1864.

GENTS:—I have just received your invitation to address the citizens of Portland at my earliest convenience. I shall be pleased to make a speech in the city of Portland on the evening of Saturday the 24th inst. Yours truly,
GEO. H. WILLIAMS.

Messrs. Failing, Smith and others.

MINOR BURGLARIES.—There has been several in[illegible] attempts at burglary in this city during the past week, but the would be thieves have managed to evade the officers, so far. On Wednesday night some silver was taken from a restaurant on Front street, which, is all they have succeeded in "bagging" clear. The same night a man left R. [illegible]'s warehouse in such great haste that he forgot to take his skeleton keys with him. On Thursday night a fellow ran desperate chances to steal a pair of boots, at a manufactory on Front, near Ash street, but being discovered by the night watchman was followed by two shots from a revolver, each bringing a boot, and the pair was recovered. The chicken ranches throughout the city have met with fail in many instances, and often have been literally cleaned of fowls. We cannot obtain a clue to these matters in Recorders' and Justices' Courts just now, but when a descent is once made we expect the officers will make straight work of it.

[illegible].—Rev. Mr. Schmidt, of the Evangelical Association, will preach in the County Court Room to-morrow at 10½ o'clock A. M. Mr. S. is a German, and will preach in that language, and as our German friends need a house of worship they should encourage him in his labors.

Rev. Mr. Twining, of San Francisco, will preach at the Congregational Church, at the usual hour to-morrow evening.

NARROW ESCAPE.—A little boy six years old, son of Mr. J. A. Chapman of this city, fell into the river at the foot of Washington street, yesterday, and was rescued by Richard Hoyt, barely in time to save the child's life. It was probably 15 minutes after the boy was brought out of the water, before respiration was established. The Doctor was called to the wharf to assist in the case, when it proved to be his own son. After the little fellow had been restored to consciousness, and taken home, he related that he was fishing, when another boy pushed him in. It was indeed a narrow escape, and the father was filled with gratitude to Dick for his timely aid in the rescue, and presented him with a handsome token in remembrance of the important service.

YAQUINA.—A party of our citizens have been visiting Yaquina Bay, and returned on Thursday evening quite enthusiastic over what they had seen. The old familiar "[illegible]," "[illegible]," of the once favorite Pioneer of this city was listened to quite pleasantly as she stirred up the waters of the Bay in her boiling. Oysters abound, and fresh fish of great variety are of easy access. A handsome little town is just beginning on the Bay, and the few people there are filled with hope for the future. The principal trade now is in oysters with the San Francisco market.

AN OREGON FIXTURE.—McCormick's Almanac has become as familiar as household words among the people of the Pacific coast, and were we to be deprived of it, Oregon would be left without statistics. It is the only standard used in Congress, so we are informed by a member of that body, for the northwest part of the Great America. This Almanac for 1865 will be ready for sale next month, and will contain 50 pp. of valuable statistical information relating to Oregon, Washington and Idaho.

TIGHT.—Yesterday an individual considerably under the influence of "tangle foot" was wending his way up First street much as would a drunken cork screw, and when at the crossing of Morrison street committed so many "overt acts" that he was taken in charge by a police officer, and walked up to the Hotel de Cross Bar for feed and nourishment. His [illegible] senses will probably find him out to the charge of "disorderly conduct."

SAD ACCIDENT.—A man fell off the Front street bridge last evening and in the descent broke his right leg, above the knee, and mangled one of his hands, crushing the bones of the thumb through its skin. He was taken to the Farmer's Hotel where [illegible] was had. We regard with suspicion such traps as are left open in this city from day to day without barricades, and the only wonder is that more persons are not injured or killed by them.

PASSENGERS AND TREASURE.—The steamer New World, Capt. Wolfe, arrived from the Cascades at an early hour last evening bringing $38,000 in gold-dust to Wells, Fargo & Co., and 100 passengers. The [illegible] Tenino had arrived at Celilo after having experienced a severe gale, making a through connection from the mining regions.

A LARGE RAFT.—The largest raft of lumber run down the Willamette for years, has been received at the new wharves of the O. S. N. Company and Capt. Ankeny, in this city. It contains 225,000 feet, and the lumber was all cut inside of a month, at the Oswego mills of J. C. Terwilliger.

TREASURE BY THE STEAMSHIP.—The steamship Brother Jonathan, S. I. DeWolfe Commander, sailed from the mouth of the Willamette, for San Francisco yesterday afternoon, she carries $262,500 00 in treasure, shipped as follows: Wells, Fargo & Co., $250,000 00; Ladd & Tilton $12,500 00.

CITY ASSESSMENTS.—A typographical error crept into the Common Council report yesterday morning causing a mistake of $1,000,000 00 in the total footing of the city assessment. The correct amount is $3,329,385 00.

AUCTION SALE.—Mr. Richardson will offer some inducements to the trade, at his Auction and Commission House, corner of Oak and Front streets, at 10 o'clock A. M. to-day. See advertisement.

THE FLAG OF OUR UNION.—Mrs. J. R. Witherell has presented the Ladies of the Sanitary Fair with a handsome American Flag, of a medium size. It is a valuable and most fitting contribution.

THE UNION COURSE.—A match will be run over the Union course to-day, between two favorite horses—Lucy Long and Captain Foster. A good time is anticipated.

ASSISTANT U. S. ASSESSOR.—B. F. Cardwell has been appointed from the office in this city assistant U. S. Assessor for Clackamas and Marion counties.

NOT A VALID CAUSE FOR ACTION.—A piece of "[illegible]" recently applied to the Court for a divorce, alleging as a reason that her husband was a confounded fool. Although the magistrate, on looking at the fair one, decided that in marrying her he had proved himself all that she had represented him, yet, as such a plea, if sustained, would probably entitle half the married women in the city to a legal separation, he would not entertain the petition. The lady left the Court quite relieved, as the idea suggested that there were many others in a precisely similar predicament.

**"A Slight Cold," Coughs.**—Few are aware of the importance of checking a Cough or "SLIGHT COLD" in its first stage; that which in the beginning would yield to a mild remedy, if neglected, soon attacks the lungs. "Brown's Bronchial Troches" give sure and almost immediate relief. Military Officers and Soldiers should have them, as they can be carried in the pocket and taken as occasion requires.
REDINGTON & CO., San Francisco, Agents for the Pacific Coast.

**Periodical Headache**—so common in uncleared and marshy countries, Tic Douloureux, that most painful affection of the nerves of the face, are often only attacks of ague in disguise—proceeding from the same noxious influence. Jaundice, Dyspepsia and Diarrhea are frequently but disguised forms of Intermittent Fever. Even Rheumatism and Epilepsy, often result from the same miasmal cause. For such, Dr. Osgood's India Cholagogue is an unfailing remedy. By striking at the root of these affections, it applies with equal certainty, as for the cure of Fever and Ague in its simplest forms.
Imitations are abroad! Be particular to enquire for Dr. Osgood's India Cholagogue. Sold everywhere.

**Dysentery.**—For Dysentery and similar complaints of the Summer season, the PERUVIAN SYRUP has proved a remarkable preventive and cure. By imparting tone to the intestinal mucous membrane, it places this surface in the best possible condition to resist the irritation of crude and indigestible articles of food.

**Oregonians** should test the merits of Dr. HOSTETTER'S STOMACH BITTERS. While it is highly palatable as a beverage, it is unequaled as an invigorator. In the pursuit of fortune at the mines, many persons are exposed to the attacks of complaints of the digestive organs, and of various kinds of fever. This is the very article that has so long been in demand at the mines. Its daily use will restore the tone of a deranged stomach, impart fresh vitality to the digestive functions, and cheer the spirits. Yet the Bitters is the safest of all stimulants. Let the miner who is exposed to hot and dry, wet and cold, be certain to obtain a supply of the genuine Hostetter Bitter, and he will find it a certain safeguard to health.—Sold by Druggists and dealers generally. jy25dw

REMARKABLE FEATURE OF THE RECRUITING MOVEMENT—PERSONS PHYSICALLY DISQUALIFIED FOR SERVICE "MARKED" BY THE SURGEONS.—The New York *Post* of the 12th of August remarks:

Some of the surgeons attached to the Provost Marshal's office in this city have devised a new and exceedingly effective scheme for the treatment of persons who propose to enlist, but are found physically incompetent to endure the hardships of the service. Such persons are "marked" upon their backs. It is understood that the principal object to the use of the [illegible] word "branded." It is alleged on behalf of the surgeons that this "marking" is done for their own convenience and protection; that it is a private arrangement of theirs; that the Provost-Marshal General's Department has nothing to do with it, and has no knowledge of the facts; and that the result is a positive benefit to the service, because it obviates the possibility of accepting a man who has been pronounced physically incompetent to do duty. The abuse to which this measure is extensively practiced by the brokers, who take men rejected at one office to another one, and if again rejected to still another, and so on, in the hope that they may find a surgeon who will overlook the cause of disability and accept the recruit. If successful in his efforts, the broker gets a high compensation. The process of "marking" men is not publicly known and the physicians do not divulge their secret. The work is done during the examination, and so quietly, it is said, that the person does not know when the operation is performed upon him. The mark is sometimes in the form of a cross.

PERUVIAN SYRUP,
OR PROTECTED
Solution of Protoxide of Iron,
Has been used with Great Success in Curing
DYSPEPSIA,
*Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered State of the Blood, Female Complaints, Chronic Diarrhea, Boils, Scurvy, the prostrating effects of Lead or Mercury,*
GENERAL DEBILITY,
and all Diseases which require a
Tonic and Alterative Medicine.

THE PROOFS OF ITS EFFICACY are so numerous, so well authenticated, and of such peculiar character, that sufferers cannot reasonably hesitate to receive the proffered aid.
The class of diseases for which the Syrup provides a cure, is precisely that which has hitherto baffled the highest order of medical skill. The facts are tangible, the witnesses accessible, and the safety and efficacy of the Syrup incontrovertible.

From well-known Citizens of Boston.
The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public.
Rev. JOHN PIERPONT, THOMAS C. AMORY,
THOMAS A. DEXTER, PETER HARVEY,
S. H. KENDALL, M. D., JAMES C. DUNN,
SAMUEL MAY, Rev. THOS. WHITTEMORE.

Certificate of Dr. Hayes.
It is well known that the medicinal effect of Protoxide of Iron is lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron, without further oxidation, has been deemed impossible.
In the Peruvian Syrup, this desirable point is attained by COMBINATION IN A WAY BEFORE UNKNOWN; and this solution may replace all the proto-carbonates, citrates and tartrates of the Materia Medica. A. A. HAYES, M.D.

IODINE WATER.
IODINE WATER IS THE MOST IMPORTANT DIScovery of modern chemistry, and it is impossible to over-estimate its influence as a remedial agent. Iodine has been considered the most useful article in Materia Medica, and many of the most scientific and practical chemists and physicians have investigated its effects upon the human system. It is to act upon the
HEART,
LIVER, KIDNEYS,
DIGESTIVE ORGANS AND GLANDULAR SYSTEM,
and to have great control over
SCROFULOUS AFFECTIONS.
Notwithstanding the zeal and ability which have been devoted to its investigation, it remained almost useless, until Dr Henry Anders, a physician and chemist of New York, after years of patient labor and experiment, discovered a chemical process which enabled him to dissolve
*"PURE IODINE IN PURE WATER"*
without a solvent. This considered impossible by the scientific world is attested by certificates of analysis from Dr. J. R. Chilton of this city, and Prof. Booth, U. S. Mint, Philadelphia. The importance of this discovery was so highly appreciated by the Faculty that it was published in the Medical Journals, and its use recommended to practitioners (see "American Medical Monthly," July 9, 1858, page 76.)
This valuable medicine is now available to the public for the cure of Scrofula in all its manifold forms, Consumption, Cancer, Heart, Liver and Kidney Diseases, Rheumatism, Neuralgia, Nervous Affections, Dyspepsia, Bronchitis, etc.
AS A TONIC
Its operation is evinced by strengthening the digestive organs and increased nutrition of the body is the result of the employment of Iodine. The patient receives flesh, strength and color; hitherto pale, relaxed and feeble, he becomes full, strong and florid.
Full directions accompany each bottle.
Sold by all Druggists. Price, $1 per bottle. Prepared by Dr H. Anders & Co, Physicians and Chemists, New York.

From the army hospital—the bloody battle-field—the mansion of the rich and humble abode of the poor—from the office and the sacred desk—from the mountain top, distant valleys and far-off islands of the ocean—from every nook and corner of the civilized world—is pouring in the evidence of the astonishing effects of DRAKE'S PLANTATION BITTERS. Thousands upon thousands of letters like the following may be seen at our office.

[illegible], Wis., Sept. 1[illegible], 1864.
* * * I have been in the army hospitals for fourteen months—speechless and nearly dead. At Alton, Ill., they gave me a bottle of Plantation Bitters. * * * Three bottles restored my speech and cured me.
C. A. FLAUTER.

SOUTH WARSAW, O., July 28, 18[illegible].
* * * One young man who had been sick and not out of the house for two years with Scrofula and Erysipelas, after paying the doctors over $100 without benefit, has been cured by ten bottles of your Bitters.
EDWARD WORRALL.

The following is from the manager of the Union Home School for the Children of Volunteers:
HAVEMEYER MANSION, FIFTY-SEVENTH STREET,
New York, August 2, 18[illegible].
"DR. DRAKE: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs with most happy effect. One little girl, in particular, with pains in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well. Respectfully, MRS. O. M. DEVOE."

* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.
REV. W. H. WAGGONER, Madrid, N. Y.

* * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use.
Thy friend, ASA CURRIN, Philadelphia, Pa."

* * * I have been a great sufferer from dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.
REV. J. S. CATHORN, Rochester, N. Y.

* * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.
SYKES, CHADWICK & CO.,
Proprietors Willard's Hotel, Washington, D. C.

* * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.
G. W. ANDREWS,
Superintendent Soldiers' Home, Cincinnati, O.

* * * The Plantation Bitters have cured me of liver complaint, of which I was laid up prostrate and had to abandon my business. H. B. KINGSLEY, Cleveland, O.

* * * The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that distressed me for years. It acts like a charm.
C. C. MOORE, 254 Broadway, N. Y.
etc. etc. etc.

The Plantation Bitters make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya Bark, Wintergreen, Sassafras, Roots, Herbs, &c., all preserved in perfectly pure St. Croix Rum.
S. T.—1860.—X.
Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try them.
They are recommended by the highest medical authorities, and are warranted to produce an *immediate* beneficial effect. They are exceedingly agreeable, perfectly pure and harmless.
NOTICE.—Any person pretending to sell Plantation Bitters in bulk or by the gallon is a swindler and impostor. It is put up only in our patent log cabin bottle. Beware of bottles refilled with imitation deleterious stuff, for which several persons are already in prison. See that every bottle has our private United States Stamp over the cork unmutilated and signature on steel plate side label.
